**BACKGROUND/DISCUSSION**

The Manatee County Procurement Division has completed a due diligence review and intends to procure a tarping machine and supplies for existing tarping machines from Tarpomatic, Inc. without conducting a competitive solicitation process for the following reasons:

Based upon the ease of installation, durability/quality, functionality, and for aesthetic consistency throughout all County Landfill properties, the County has standardized on the tarping machines and supplies that are manufactured by Tarpomatic, Inc.

Procuring the tarping machine and supplies from Tarpomatic, Inc. will ensure compatibility with the existing County Landfill equipment of the same brand.

Tarpomatic, Inc. is the sole manufacturer and distributor of the Tarpomatic tarping machines and associated supplies.

A competitive solicitation process cannot reasonably be used, or, if used, will result in significantly higher administrative costs with an unknown outcome.

Any company that believes it can provide this good/service must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 18, 2021 for evaluation and consideration.
