**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure maintenance and support services on Automic software applications from CA, Inc. without conducting a competitive solicitation process for the following reason(s):

This software is a critical part of the day-to-day operations of the County. The maintenance and support are necessary to avoid any outages which would affect many departments, divisions, financial institutions as well as other elected official offices.

CA, Inc. is the sole proprietor of their software and the only authorized company to maintain or upgrade the software.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 12, 2022, for evaluation and consideration.
