**NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT**

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$38,913.51 with Nevco, Inc. for the provision of seven (7) model 1610 LED baseball/softball scoreboards with handheld controls, control carrying cases, outdoor in-board wireless receiver kits, and stamped, engineered drawings.

**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure six LED scoreboards with electronic accessories and drawings from Nevco, Inc. without conducting a competitive solicitation process for the following reason(s):

The County purchased a model 3617 LED football/soccer scoreboard in December 2021 from Nevco through a competitive solicitation. This model scoreboard has proved to be very reliable. Therefore, three more model 3617 scoreboards were purchased from Nevco in year 2022 as well as four model 1610 LED baseball/softball scoreboards.

In order for consistency throughout the Countys' park athletic fields, the County has standardized on Nevco model 3610 and 3617 LED scoreboards. The quality, service, warranties, and provision of stamped blueprints for installation make Nevco the best choice for acquiring new athletic scoreboards.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 19, 2022, for evaluation and consideration.
