BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure certified public expenditure program for emergency medical transportation from Public Consulting Group without conducting a competitive solicitation process for the following reason(s):

PCG offers a comprehensive range of services and a proven track record providing these services in Florida. PCG is the only firm to offer an online EMS cost reporting system, which is utilized for data aggregation, comprehensive compliance reviews, automated edits checks, and advanced reporting.
