BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Seepex pumps and services from Hudson Pump and Equipment without conducting a competitive solicitation process for the following reasons:

The Utilities Department has established a standard of Seepex pumps in the water treatment processes. Hudson Pump and Equipment, Lakeland, is the only Seepex OEM authorized dealer and service provider in the area. The Utilities Department and the Procurement Division have determined that these Seepex pumps and services, sourced from Hudson Pump and Equipment are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 1, 2022 for evaluation and consideration.
