BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure six LED scoreboards with electronic accessories and drawings from Nevco, Inc. without conducting a competitive solicitation process for the following reason(s):

The County purchased a model 3617 LED scoreboard in December 2021 from Nevco through a competitive solicitation. This model scoreboard has proved to be very reliable. Therefore, the same model scoreboard was purchased again in September 2022.

In order for consistency throughout the Countys' park athletic fields, the County has standardized on Nevco model 3610 and 3617 LED scoreboards. The quality, service, warranties, and provision of stamped blueprints for installation make Nevco the best choice for acquiring new LED scoreboards.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 14, 2022, for evaluation and consideration.
