BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Moyno 2000 Series Pump and Parts from Carl Eric Johnson, Inc. without conducting a competitive solicitation process for the following reason(s):

Moyno pumps are used at all three (3) water reclamation facilities. Carl Eric Johnson, Inc. is the sole distributor for Moyno pumps in Florida. Using Moyno pumps ensures the equipment is kept running at maximum efficiency, downtime is reduced, and disruption in the treatment process is kept at a minimal. Using a different brand of pump would require extensive modifications with significant extra costs to the County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 27, 2025 for evaluation and consideration.
