BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure coastal portable litter containment units from Coastal Netting Systems without conducting a competitive solicitation process for the following reasons:

- Manatee County has standardized the same type of coastal portable litter containment units from Coastal Netting Systems based upon the ease of installation, quality of product, functionality and customization giving the company consistency throughout the Utilities Department.
- Procuring coastal portable litter containment units from Coastal Netting Systems will ensure compatibility with the existing coastal portable litter containment units used by the Utilities Department.
- Procuring the coastal portable litter containment units from Coastal Netting Systems will ensure that the requirements and needs of the Utilities Department are met.
- Coastal Netting Systems is providing the Utilities Department with a special order and custom equipped forklift handling option that only Coastal Netting Systems can manufacture.
- A competitive solicitation process cannot reasonably be used, or, if used, will result in significantly higher administrative costs with an unknown outcome.
- Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide these services, must submit detailed information about its services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than 7/15/2021 for evaluation and consideration.
