BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure fire line connection services and equipment from Access Fire Protection, Inc. without conducting a competitive solicitation process for the following reason(s):

The Property Management Department has need to replace the fire line system for the fire suppression system of the Lakewood Ranch EMS facility. The County has investigated the processes necessary for this project and find that Access Fire Protection, with Unlimited Fill, Inc. working as a subcontractor, will expedite this critical and time sensitive project. The Property Management Department and Procurement have determined that this equipment and service sourced from Access Fire Protection, Inc. is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than May 13, 2021 for evaluation and consideration.
