BACKGROUND/DISCUSSION

- The Utilities Department, Lena Road Solid Waste Management Facility, requires the collection of waste tires for disposal on an as required basis from the waste tire collection site at the landfill.
- This annual contract, with four (4) consecutive automatic twelve-month renewals, provides for the collection of waste tires and rims, if attached, from the Lena Road Solid Waste Management Facility. The goods to be collected and processed include, but are not limited to, vehicular tires, small tractor tires, lawn mower tires, golf cart tires, etc.
- 8/20/10 – 9/17/10 appropriate bid procedures were followed. The bid was broadcast via DemandStar to one hundred thirty-seven (137) prospective bidders, including three (3) supplemental vendors as specified by the Purchasing Department. The bid was also broadcast via www.myanatee.org and the Manatee Chamber of Commerce. Three (3) firms requested the bid document and two (2) bids were received. A third bid was attempted to be delivered after the 10:00 a.m. deadline and was not accepted.
- On September 21, 2010, the Utilities Department recommended the award of IFB #10-2710JS to Wheelabrator Ridge Energy, Inc., Auburndale, FL, for an estimated annual cost of \$154,800.00.
