BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Penn Valley Double Disc Pump Model 4DDSX30CNU-MK3 from Penn Valley Pump Co, Inc. without conducting a competitive solicitation process for the following reason(s):

The Manatee County Utilities Department requires pumps for water treatment processes. The Southwest Water Reclamation Facility currently utilizes the Penn Valley Pump Co, Inc. double disc pump, which has proven to be more efficient and cost-effective. Penn Valley Pump Co, Inc. is the exclusive provider of new equipment, spare parts, and installation services. Manatee County is actively working to maintain standardization across wastewater facilities to ensure that equipment operates at maximum efficiency and to minimize disruptions in treatment processes.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than July 16, 2025 for evaluation and consideration.
