BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure hydraulic elevator modernization from Oracle Elevator Holdco, Inc. without conducting a competitive solicitation process for the following reason(s):

The Property Management Department has determined a need to repair the electrical/mechanical modernization of the elevators located at the Manatee Marine Rescue. Oracle Elevator Holdco, Inc. currently performs monthly preventative maintenance services for all of the County's elevators. The Property Management Department and Procurement Division have determined that the hydraulic elevator modernization service for the elevators located at the Manatee Marine Rescue, is in the County's best interest. While there are other companies that can provide similar services, Oracle Elevator Holdco, Inc.'s institutional knowledge of current County elevators and the ability to standardize elevator modernization across multiple County facilities best aligns with the County's current goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 17, 2023 for evaluation and consideration.
