### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Generator Enclosure Repair from Custom Site Solutions without conducting a competitive solicitation process for the following reason(s):

Manatee County Property Management Department has identified a crucial need to repair the Pheonix generator enclosure housing the Ring Power generator for the ground maintenance facility located at Premier Sports Park. Custom Site Solutions, the authorized repair company for Phoenix Products, the provider of Ring Power Generator enclosures, offers a tailored building solution to meet project requirements efficiently. With their unique, engineered approach, Custom Site Solutions ensures reduced waste, improved building performance, and optimal structural integrity. Being certified by Phoenix Products, their expertise in repairing proprietary components guarantees the building's continued functionality, safety, and compliance with regulations. This meticulous process not only benefits the Property Management Department but also the residents of Manatee County by providing cost-effective onsite repairs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 9, 2025 for evaluation and consideration.
