BACKGROUND/DISCUSSION

- This procurement is for the urgent repair of aging, cracked, and disintegrating sewer lines located at 53rd Avenue and cross streets.
- While County crew were taking video of the inside of the main lines at 53rd Avenue the crew discovered that a pipe had collapsed with was causing a stoppage. A major sewage spill may occur if the repair is not immediately remedied. It has been determined that these conditions pose a threat to the public health, welfare, and safety, and the selection of the vendor is the most practical given the current circumstances.
- Due to the urgent repair requirement, the purchase order will be issued immediately. The material required for repair is inventoried by JTV Inc. and they are prepared to begin the work immediately.

If a vendor believes this item is not a sole source procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
