TO: ALL INTERESTED RESPONDENTS

REFERENCE: **REQUEST FOR QUALIFICATIONS NO. 15-0127DW for Supply of a Submerged Membrane Filtration System for a Drinking Water Application**

ADDENDUM No. 2

The following items are issued to add to, modify, and clarify the Request for Qualifications ("RFQ"). These items shall have the same force and effect as the original RFQ. All Statements of Qualifications are to be submitted on the specified date and shall conform to the additions and revisions listed herein.

Q: Re: Section 3.0, Statement of Qualifications Content, 3.2 Section 2, Response to Minimum Qualifications Criteria, item 16, states "The membrane system and module shall have been previously demonstrated to achieve a minimum of 4-log removal of protozoans (e.g., Giardia cysts, Cryptosporidium oocysts) when the membrane exhibits full integrity as determined through third party testing. Third party testing must have been completed within the last 5 years and have approval by the California State Water Resources Control Board." We assume approval of third party testing in the State of California provided by California Department of Public Health meets this requirement. Please confirm.

A: Yes, it is acceptable if the approval letterhead says California Department of Public Health. Note that the Division of Drinking Water Programs is now under the California State Water Resources Control Board (http://www.waterboards.ca.gov/drinking_water/programs/index.shtml).

Respondents are hereby notified that this Addendum shall be acknowledged by them within their Statement of Qualifications and shall be made a part of the above named Request for Qualifications.

All other terms and conditions of the original Request for Qualifications remain unchanged.

If you have submitted a Statement of Qualifications prior to receiving this Addendum, you may request in writing that your original, sealed submittal be returned to your firm. All sealed Statements of Qualifications received will be opened on the date stated.

Sincerely,
MANATEE COUNTY GOVERNMENT
