ADDENDUM No. 3

The following items are issued to add to, modify, and clarify the Request for Qualifications ("RFQ"). These items shall have the same force and effect as the original RFQ. All Statements of Qualifications are to be submitted on the specified date and shall conform to the additions and revisions listed herein.

To clarify the intent of the "Public Entity Crimes Statement," Attachment F, please be advised of the following:

In accordance with Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases or real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

In addition, Manatee Code of Laws Chapter 2-26 Article V prohibits the award of County contracts to any person or entity who/which has, within the past 5 years, been convicted of, or admitted to in court or sworn to under oath, a public entity crime or of any environmental law that, in the reasonable opinion of the Purchasing Official, establishes reasonable grounds to believe the person or business entity will not conduct business in a reasonable manner.

To ensure compliance with the foregoing, the Code requires all persons or entities desiring to contract with the County to execute and file with the Purchasing Official an affidavit, executed under the pain and penalties of perjury, confirming that person, entity, and any person(s) affiliated with the entity, does not have such a record and is therefore eligible to seek and be awarded business with the County. Respondent is to complete Attachment F and submit with your proposal.

Respondents are hereby notified that this Addendum shall be acknowledged by them within their Statement of Qualifications and shall be made a part of the above named Request for Qualifications.

All other terms and conditions of the original Request for Qualifications remain unchanged.

-continued-

If you have submitted a Statement of Qualifications prior to receiving this Addendum, you may request in writing that your original, sealed submittal be returned to your firm. All sealed Statements of Qualifications received will be opened on the date stated.

Sincerely,
MANATEE COUNTY GOVERNMENT
