### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure vehicle detection systems from Wavetronix, LLC without conducting a competitive solicitation process for the following reason(s).

The County has standardized Wavetronix vehicle detection systems.

Wavetronix is the OEM and only supplier of their products.

Using other manufacturer vehicle detection systems would compromise communication between devices and system capacity.

Any company that believes it can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 3, 2020.
