NOTICE OF INTENT TO AWARD

Sole Source Award to Avery Dennison to purchase a TrafficJet™ 1638 Print System including accessories and one-year extended warranty for \$59,428.20.

ENABLING/REGULATING AUTHORITY

Manatee County Procurement Ordinance

Manatee County Code of Laws, Sections 2-26-40 & 2-26-45

BACKGROUND/DISCUSSION

- Manatee County needs a more efficient and cost effective method of traffic sign fabrication.
- The TrafficJet™ digital traffic sign printing system is the only system capable of producing regulatory complaint signs that meet the standards outlined within the Uniform Traffic Control Devices manual.
- This system will convert and import our current custom designed sign and fit within our shop floor plan.
- No special ventilation or change to our existing electrical supply configuration will be required.
- Avery Dennison is the sole supplier of the TrafficJet™ Print System.

If a vendor believes this item is not a sole source or non-competitive procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".

RE: Avery Dennison TrafficJet™ Print System Source

To Whom It May Concern:

Avery Dennison® hereby certifies that we are the only supplier of the TrafficJet™ Print System. The TrafficJet printer is manufactured by MUTOH™ for Avery Dennison, and offered exclusively by Avery Dennison. The TrafficJet Print System requires the use of proprietary components available only from Avery Dennison.

The components used in the TrafficJet Print System have been specifically designed by Avery Dennison for traffic sign fabrication. The TrafficJet Print System is the only system capable of providing all of the following benefits, while providing a warranty backed by the sheeting manufacturer:

- Print durable regulated traffic signs
- Print on a variety of retroreflective sheeting types, including ASTM Type I, Type IV, and Type XI
- Provide up to 12 years of warranty on all standard traffic signs
- Provide up to 10 years of warranty on all custom signs, using our patented CMSpot6™ ink technology

Detailed product information, instructional bulletins, and warranty conditions are listed on the Avery Dennison Reflective Solutions website at reflectives.averydennison.com. For any additional information please contact your local Avery Dennison representative.

Sincerely,

A handwritten signature in black ink, appearing to read 'Moe Madar'.
