BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure PLC Parts for SCADA System from Rexel USA, INC. without conducting a competitive solicitation process for the following reason(s):

These are replacement PLC Parts for our SCADA System. The PLC is a digital computer used for the automation of electromechanical processes of the SCADA equipment to the W/WW Plants. Alternatives would be unacceptable due to the specifications of the existing equipment and inventory.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 8, 2024 for evaluation and consideration.
