Procurement Contact: Bonnie Sietman – Procurement Team Leader

Request For Proposal No. 22-R078167BLS is amended as set forth herein. Responses to questions posed by prospective proposers are provided below. This Addendum is hereby incorporated in and made a part of RFP No. 22-R078167BLS.

REPLACE:

RFP Exhibit 3 Fee's – Services – Fixed Schedule

Replace Exhibit 3 Fee's – Services – Fixed Schedule with
Exhibit 3 Fee's – Services – Fixed Schedule Revised 2-8-2022 (revised, addendum No. 1)

QUESTIONS AND RESPONSES:

Q1. Would it be possible to receive a copy of the bid tabulation for the last time No. 22-R078167BLS: Roadway Mowing and Ancillary Services was open for bidding?

R1. Bid tabulation for IFB No. 16-2978GE Landscape Maintenance for Roadways attached.

Q2. QA closed the date the bid opened.

R2. This is a Periscope S2G technicality. Refer to “Deadline for Questions and Clarification Requests” located within RFP No. 22-R078167BLS for the correct way to submit questions or clarification requests.

Q3. Most of the services requested are outside the scope for the primary work type.

R3. The primary scope of work is ROW mowing, however there are often incidental hard and soft scape needs within the ROW as well that has required the County to draw on other providers for the incidental work. Items listed in Exhibit 3 are required to be considered responsive. The incidental items are listed in Exhibit 4 and are optional to the proposal; however, it is preferable that the Proposer would self-perform or subcontract the incidental work to help the county and the prime contractor expedite work efforts. Proposers are asked to submit on all Exhibit 4 items although, a no bid for any individual items in Exhibit 4 is also acceptable in this optional section.

Q4. There are insufficient work descriptions, qualifications and break downs for many of your items where conditions vary site to site or required skill set or certifications.

R4. All work items are consistent the county standards as published on the County's website and are usual and customary incidentals for the primary work.

Q5. Please define the use of subcontractors for each item and how they will be vetted?

R5. Reference, Exhibit 2, Tab 6, item 4 of the RFP for information related to subcontractors.

Q6. This contract will duplicate services that were recently bid and awarded? For example, No. 22-R077847ED Tree Removal Services was just awarded. Other services in bid 22-R078167BLS that were recently awarded include Landscape Plants and materials. Which contracts will take precedence?

R6. This shall be at the discretion of the County.

Q7. Are we required to bid on all items?

R7. No.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFP.

INSTRUCTIONS:

Receipt of this Addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.
