BACKGROUND/DISCUSSION

- Andritz Separation, Inc. is an original equipment manufacturer of the liquid/solid separation equipment and holds the sole rights and ownership to the Andritz-Ruthner product line.
- Andritz Separation, Inc. is the sole distributor of Andritz parts and service for the Bio-Solids Facility's thermal drum dryer and do not operate with local distributor networks.
- Manatee County personnel would have to hire an engineer to design and help fabricate alternative replacement parts to ensure any modifications to the equipment would be safe and not affect the functionality of the overall system if we did not purchase OEM replacement parts from Andritz Separation, Inc.

If a vendor believes this item is not a sole source or non-competitive procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
