**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure CSM software maintenance and support renewal from Ivanti, Inc. without conducting a competitive solicitation process for the following reason(s):

The County's Information Technology Services and Property Management Department has used CSM software for managing service requests, incidents, and work orders since year 2015. Initially, Cherwell Software, LLC sold and supported CSM. Ivanti, Inc. purchased Cherwell Software, LLC in March 2021. Ivanti is the sole supporter of CSM software.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 12, 2022 for evaluation and consideration.
