Note: The County has funds available to construct the items listed in the Total Base Bid only (which excludes the Alternate Parking Lot) and would like to select the lowest, fastest and responsive bid (Total Base Bid "A") for these services. The review of these bids makes a recommendation with regard to this pricing decision made by the County.

Results:

1. The lowest, fastest and most responsive bid (subconsultant's amount less than 45% of total price) is Superior Asphalt, Inc with a bid of \$352,554.50.
 2. The lowest, fastest bid by Gator Grading and Paving LLC exceeded the maximum 45% threshold for subconsultant work and as a result is not responsive.
 3. Kukhausen Construction, Inc. did not submit a Total Bid Price "A" (and subsequent Total Base Bid "A") and as a result is not responsive.
 4. A bid bond for Horus Construction Services, Inc. was not included in the documents and as a result is not responsive.
 5. In reviewing the bid submitted by E. T. Mackenzie of Florida, Inc. the Contractor did acknowledge a site visit in their bid.
- IBI Group, Inc. has reviewed copies of the bids received by the County. The bids were reviewed with regard to the requirements established by Manatee County, but as noted in the front end specification documents, the County has the right to waive any requirement that they deem necessary regarding the bid.
