BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Batting Cages at Palma Sola Park from Stewart Tennis Courts & Fencing without conducting a competitive solicitation process for the following reason(s):

Stewart Tennis & Fencing has been identified as the only vendor that would provide all the objectives of the project. It is required to install a concrete pad, then install the batting cage on the pad, then install fencing around the batting cage. Stewart Tennis & Fencing is able to handle all three phases of the project, ensuring start to finish everything is done properly and hold the responsibility of the entire project.

While there are other companies that can provide these similar services Stewart Tennis & Fencing offers turnkey solutions and are best aligned with the County's current goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 3, 2024 for evaluation and consideration.
