**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Goulds 3498 pump, model 16X18-18S from Hudson Pump and Equipment without conducting a competitive solicitation process for the following reason(s):

Hudson Pump and Equipment is the sole distributor of Xylem/Gould pumps. A Gould 3498 model 16X18-18S pump is required as a direct replacement of an existing pump. This pump is a direct replacement for the Siemens Motor brand that is no longer manufactured or supported by Siemens Corporation.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 11,2025 for evaluation and consideration.
