

MANATEE COUNTY FLORIDA

January 6, 2009

TO: All Interested Bidders

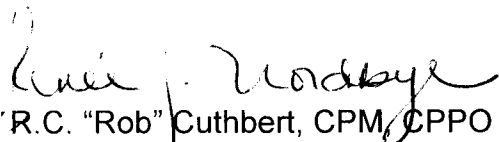

Reference: Invitation for Bid #09-0245BG/ FLEET SERVICES ADDITION PHASE 1

Subject: Rejection of All Bids Received

The apparent low bid and most responsive bidder was found to be higher than the County's budgeted amount for this project. It has been determined that it is in the best interest of the County to reject all bids received and review the plans and /or the specifications for possible changes to bring the project within budget.

The County shall again advertise for bids once the review is completed.

Sincerely,

R.C. "Rob" Cuthbert, CPM, CPPO
