**INVITATION TO QUOTE  
FOR  
EXOTIC SPECIES REMOVAL AND PLANTING AT ROBINSON PRESERVE  
QUOTE NUMBER: 19-R070351BLS  
ISSUE DATE: JANUARY 7, 2019**

**1.0 Background and Contact Information**

The Manatee County Government (County) issues this Invitation to Quote (ITQ) for Exotic Species Removal and Planting Services at Robinson Preserve. Companies and/or individuals that are qualified to provide the required goods/services (Bidders) are invited to submit a response (Quote) to this ITQ.

**1.01 Background**

The County is located on the Gulf of Mexico in West Central Florida. It is home to nearly 30,000 acres of conserved public land which includes coastal habitats, estuaries and rivers to inland areas, and artificial reefs.

The Robinson Expansion Winston Tract Restoration Project (the Project) is in western Manatee County on the 53.25 acre Winston Tract, which is part of Robinson Preserve. Most of the site consists of desirable high quality mangrove swamp bounded with degraded areas of upland and upland-wetland ecotone and intersected with historical mosquito ditch spoil mounds. Refer to attached maps titled Winston Tract Exotics Coverage and Winston Tract Habitats.

The goal of this work is restoring the ecological integrity of those areas on the Winston Tract that have become ecologically degraded by presence of nuisance and exotic vegetation. This goal will be accomplished by treating exotics species, replanting where appropriate and fostering the early establishment of desirable native habitats through a series of follow-up management events. The Project is being funded through the Tampa Bay Environmental Restoration Fund which is administered through the Tampa Bay Estuary Program and the Southwest Florida Water Management District. The estimated budget for the Project is \$75,000.

SCOPE OF WORK  
ITQ NUMBER 19-R070351BLS**

**A.**      **BACKGROUND INFORMATION**

The Robinson Expansion Winston Tract Restoration Project (the Project) is in western Manatee County on the 53.25-acre Winston Tract, which is part of Robinson Preserve. Most of the site consists of desirable high-quality mangrove swamp bounded with degraded areas of upland and upland-wetland ecotone and intersected with historical mosquito ditch spoil mounds. Refer to attached maps titled *Winston Tract Exotics Coverage* and *Winston Tract Habitats*.

The goal of this work is restoring the ecological integrity of those areas on the Winston Tract that have become ecologically degraded by presence of nuisance and exotic vegetation. This goal will be accomplished by treating exotics species, planting where appropriate and fostering the early establishment of desirable native habitats through a series of follow-up management events. The Project is being funded through the Tampa Bay Environmental Restoration Fund which is administered through the Tampa Bay Estuary Program and the Southwest Florida Water Management District. The total estimated budget for the Project is \$75,744.

Successful Bidder (hereinafter in this Scope referred to as Contractor) shall furnish all equipment, labor, materials, supplies, licensing, transportation, and other components necessary to accomplish tasks defined in this scope of work that meets the requirements of the County. Work performed for The Project will consist of three parts:

- Part 1 – Initial Exotic Species Treatment
- Part 2 – Native Planting
- Part 3 – Habitat Establishment Period Adaptive Management (HEPAM) Events.

All Category I and II plant species listed on the Florida Exotic Pest Plant Council's 2017 list of invasive plant species are to be treated with appropriate herbicide or hand removed by pulling. All treatments are kill-in-place and biomass is to remain on the site.
- (ii) The Contractor shall furnish all herbicides, adjuvants, materials, equipment, vehicles, personnel, and personal protective equipment required to kill all invasive plant species, within the designated work areas, that have been designated as "category one" or "category two" on the Florida Exotic Pest Plant Council's 2017 List of Invasive Plant Species.
- (iii) All herbicides must be applied by or under direct supervision of a licensed pesticide applicator (under F.S. 487) who is licensed by the Florida Department of Agriculture in Natural Areas Weed Management or Aquatic Pest Control categories.

- (iv) The license holder must be on site when herbicides are being applied.

- (vii) Much of the work will occur in and around wetland habitats, therefore Contractor must use the appropriate aquatic labeled herbicides as necessary.

- v. A watering basin made of soil excavated from the planting hole is to be constructed around each tree and covered with mulch.
- vi. Mulch shall be brown hardwood melaleuca mulch (FloriMulch or equivalent). Staking will be required for all canopy and subcanopy plants consisting of a minimum 4-feet total length, minimum 12-millimeter diameter, un-used/new bamboo stakes.
- vii. The stake shall be driven a minimum of 12 inches into the ground and be secured to the plant's main trunk using green tree tie ribbon.
- viii. The Contractor shall flood each tree with water at the time the tree is planted to remove air pockets.
- ix. All plant materials, mulch and equipment brought onto this site shall be free of dirt, seeds, or vegetation which could introduce exotic species onto this site. Any such contaminated materials found during the County Project Manager inspections will be rejected and replaced by the Contractor, at its sole expense, with clean material.

## **INSURANCE REQUIREMENTS**

### **I. THE POLICIES ARE TO CONTAIN, OR BE ENDORSED TO CONTAIN, THE FOLLOWING PROVISIONS:**

#### **Commercial General Liability and Automobile Liability Coverages**

- a. **“Manatee County, a Political Subdivision of the State of Florida,” is to be named as an Additional Insured in respect to:** Liability arising out of activities performed by or on behalf of the SUPPLIER, his agents, representatives, and employees; products and completed operations of the SUPPLIER; or automobiles owned, leased, hired or borrowed by the SUPPLIER. The coverage shall contain no special limitation(s) on the scope of protection afforded to the COUNTY, its officials, employees or volunteers.

In addition to furnishing a Certificate of Insurance, the SUPPLIER shall provide the endorsement that evidences Manatee COUNTY being listed as an Additional Insured. This can be done in one of two ways: (1) an endorsement can be issued that specifically lists “Manatee County, a Political Subdivision of the State of Florida,” as Additional Insured; or, (2) an endorsement can be issued that states that all Certificate Holders are Additional Insured with respect to the policy.

- b. The SUPPLIER'S insurance coverage shall be primary insurance with respect to the COUNTY, its officials, employees and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officials, employees or volunteers shall be excess of SUPPLIER's insurance and shall be non-contributory.
- c. The insurance policies must be on an occurrence form.

#### **Workers' Compensation and Employers' Liability Coverages**

The insurer shall agree to waive all rights of subrogation against the COUNTY, its officials, employees and volunteers for losses arising from work performed by the SUPPLIER for the COUNTY.

### **II. GENERAL INSURANCE PROVISIONS APPLICABLE TO ALL POLICIES:**

- a. Prior to the execution of contract, or issuance of a Purchase Order, and then annually upon the anniversary date(s) of the insurance policy's renewal date(s) for as long as this contract remains in effect, SUPPLIER shall furnish the COUNTY with a Certificate(s) of Insurance (using an industry accepted certificate form, signed by the Issuer, with applicable endorsements, and containing the solicitation or contract number, and title or description) evidencing the coverage set forth above and naming “Manatee County, a Political Subdivision of the State of Florida” as an Additional Insured on the applicable coverage(s) set forth above.
- b. If the policy contains an aggregate limit, confirmation is needed in writing (letter, email, etc.) that the aggregate limit has not been eroded to procurement representative when supplying Certificate of Insurance.

In addition, when requested in writing from the COUNTY, SUPPLIER will provide the COUNTY with a certified copy of all applicable policies. The address where such certificates and certified policies shall be sent or delivered is as follows:

**Manatee County, a Political Subdivision of the State of Florida**  
**Attn: Risk Management Division**  
**1112 Manatee Avenue West, Suite 969**  
**Bradenton, FL 34205**

- c. The project's solicitation number and title shall be listed on each certificate.
  - d. SUPPLIER shall provide thirty (30) days written notice to the Risk Manager of any cancellation, non-renewal, termination, material change, or reduction in coverage of any insurance policies to procurement representative including solicitation number and title with all notices.
  - e. SUPPLIER agrees that should at any time SUPPLIER fail to meet or maintain the required insurance coverage(s) as set forth herein, the COUNTY may terminate this contract.
  - f. The SUPPLIER waives all subrogation rights against COUNTY, a Political Subdivision of the State of Florida, for all losses or damages which occur during the contract and for any events occurring during the contract period, whether the suit is brought during the contract period or not.
  - g. The SUPPLIER has sole responsibility for all insurance premiums and policy deductibles.
  - h. It is the SUPPLIER'S responsibility to ensure that his agents, representatives and subcontractors comply with the insurance requirements set forth herein. SUPPLIER shall include his agents, representatives, and subcontractors working on the project or at the worksite as insured under its policies, or SUPPLIER shall furnish separate certificates and endorsements for each agent, representative, and subcontractor working on the project or at the worksite. All coverages for agents, representatives, and subcontractors shall be subject to all of the requirements set forth to the procurement representative.
  - i. All required insurance policies must be written with a carrier having a minimum A.M. Best rating of A- FSC VII or better. In addition, the COUNTY has the right to review the SUPPLIER's deductible or self-insured retention and to require that it be reduced or eliminated.
- III.** SUPPLIER understands and agrees that the stipulated limits of coverage listed herein in this insurance section shall not be construed as a limitation of any potential liability to the COUNTY, or to others, and the COUNTY'S failure to request evidence of this insurance coverage shall not be construed as a waiver of SUPPLIER'S obligation to provide and maintain the insurance coverage specified.
- IV.** The enclosed Hold Harmless Agreement shall be signed by the SUPPLIER and shall become a part of the contract.

V. SUPPLIER understands and agrees that the COUNTY does not waive its immunity and nothing herein shall be interpreted as a waiver of the COUNTY'S rights, including the limitation of waiver of immunity, as set forth in Florida Statutes 768.28, or any other statutes, and the COUNTY expressly reserves these rights to the full extent allowed by law.

VI. No award shall be made until the Procurement Division has received the Certificate of Insurance and Hold Harmless Agreement in accordance with this section.

## **VII. BONDING REQUIREMENTS**

**Bid Bond/Certified Check.** By submitting a proposal, the SUPPLIER agrees should its proposal be accepted, **to execute the form of Agreement and present the same to COUNTY for approval within ten (10) calendar days after notice of intent to award.** The SUPPLIER further agrees that failure to execute and deliver said form of Agreement **within ten (10) calendar days** will result in damages to COUNTY and as guarantee of payment of same a bid bond/certified check shall be enclosed within the submitted sealed proposal in the amount of five (5%) percent of the total amount of the proposal. The SUPPLIER further agrees that in case the SUPPLIER fails to enter into an Agreement, as prescribed by COUNTY, the bid bond/certified check accompanying the proposal shall be forfeited to COUNTY as agreed liquidated damages. If COUNTY enters into an agreement with a SUPPLIER, or if COUNTY rejects any and/or all proposals, accompanying bond will be promptly returned.

**Payment and Performance Bonds.** Prior to commencing work, the SUPPLIER shall obtain, for the benefit of and directed to COUNTY, a Payment and Performance Bond satisfying the requirements of Section 255.05, Florida Statutes, covering the faithful performance by the SUPPLIER of its obligation under the Contract Documents, including but not limited to the construction of the project on the project site and the payment and obligations arising thereunder, including all payments to Subcontractors, laborers, and materialmen. The surety selected by the SUPPLIER to provide the Payment and Performance Bond shall be approved by COUNTY prior to issuance of such Bond, which approval shall not be unreasonably withheld or delayed provided that surety is rated A- or better by Best's Key Guide, latest edition.

Failure to provide the required bonds on the prescribed form may result in SUPPLIER being deemed nonresponsive. Bonds must be in the form prescribed in Section 255.05, Florida Statutes, and must not contain notice, demand or other terms and conditions, including informal pre-claim meetings, not provided for in Section 255.05, Florida Statutes.

Bonds shall be in an amount equal to 100% of the contract price issued by a duly authorized and nationally recognized surety company, authorized to do business in the State of Florida, satisfactory to COUNTY. Surety shall be rated as "A-" or better by Best's Key Guide, latest edition. The attorney-in-fact who signs the bonds must file with the bonds, a certificate and effective dated copy of power-of-attorney. Payment and Performance Bonds shall be issued to "Manatee County, a political subdivision of the State of Florida", **within ten (10) calendar days after issuance of notice of intent to award.**

In addition, pursuant to Section 255.05(1)(b), Florida Statutes, prior to commencing work, the SUPPLIER shall be responsible and bear all costs associated to record the Payment and Performance Bond with the Manatee County Clerk of the Circuit Court. A certified copy of said recording shall be furnished to the Procurement Division upon filing. Pursuant to Section 255.05(1)(b), Florida Statutes, COUNTY will make no payment to the SUPPLIER until the SUPPLIER has complied with this paragraph.

Furnishing Payment and Performance Bonds shall be requisite to execution of an Agreement with COUNTY. Said Payment and Performance Bonds will remain in force for the duration of this Agreement with the premiums paid by the SUPPLIER. Failure of the SUPPLIER to execute such Agreement and to supply the required bonds shall be just cause for cancellation of the award. COUNTY may then contract with the next lowest, responsive and responsible SUPPLIER or re-advertise this RFP.

Failure of COUNTY at any time to require performance by the SUPPLIER of any provisions set out in the resulting Agreement will in no way affect the right of COUNTY, thereafter, to enforce those provisions.
