BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure water treatment facility (WTF) maintenance building renovation from Gulfshore Drywall Inc., without conducting a competitive solicitation process for the following reason(s):

Gulfshore Drywall is a one-stop, local company providing various services such as, but not limited to, framing, insulation, acoustical ceiling, and drywall. The services provided by Gulfshore Drywall eliminates the need for the County to hire a General Contractor, who then may need to hire multiple subcontractors to complete the work. This saves the County time on scheduling work and the ordering and handling of materials. Although there are other renovation companies in the market, Gulfshore Drywall Inc., best aligns with the County’s current goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 09, 2023, for evaluation and consideration.
