**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure drilling and installing a well at 13<sup>th</sup> Street East Park and furnishing and installing a pump and motor in the well, from Water Equipment Technologies of Southwest Florida, LLC without conducting a competitive solicitation process for the following reason(s):

A water source is required to irrigate a newly sodded athletic field at East Bradenton Park. A deadline of a grand opening on September 21, 2022 is required to complete this work.

Multiple contractors were contacted for this work. However, only Water Equipment Technologies of Southwest Florida, LLC gave the County a three to four-week timeline to complete the work.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than August 23, 2022, for evaluation and consideration.
