**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Well Drilling from David Cannon Well Drilling, Inc. without conducting a competitive solicitation process for the following reason(s):

The Property Management Department has requested a need for a well driller who is willing and capable to work in the medians of Florida Department of Transportation roads as well as in our parks and properties where well water is needed. Due to the unsafe and hazardous conditions there are not many firms willing to provide these services. David Cannon Well Drilling, Inc. is able to provide well drilling services in a timely manner at fair market price.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than July 5, 2024 for evaluation and consideration.
