BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure the removal of the existing pump and installation of a Xylem/Goulds Water Technology (TTO) Model 204EHC-3 pump and a Nidec/US Motor 500 hp, 4160-volt from Hudson Pump and Equipment without conducting a competitive solicitation process for the following reason(s):

Hudson Pump and Equipment is the sole authorized distributor for Xylem/Goulds pump in Manatee County. The pump and motor are a direct replacement for the existing equipment and come equipped with a mechanical seal, also reducing wear, and adding longevity to the equipment, ultimately reducing maintenance and repair costs to the County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than August 9, 2024 for evaluation and consideration.
