**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure GT Bray Tennis Courts Resurfacing from Welch Tennis Courts, Inc. without conducting a competitive solicitation process for the following reason(s):

The GT Bray Park tennis courts underwent reconstruction two years ago, yet ongoing water drainage concerns persist since the project’s completion. Despite multiple efforts by the initial contractor to rectify the issue, no solution has been achieved. Welch Tennis Courts, Inc., a respected local tennis court construction firm notable for their exceptional work in previous Manatee County projects, has evaluated the courts. They have identified a significant grading discrepancy leading to water accumulation, impeding proper drainage. Urgent attention is imperative to ensure the courts are safe and operational before the upcoming busy season commences..

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 28, 2024 for evaluation and consideration.
