BACKGROUND/DISCUSSION
<ul style="list-style-type: none"> • This project provides for the replacement of one boat ramp and the construction of extension to the two existing docks at the State Road 64 East Boat Ramp. Total contract award price of \$164,559.70 includes the option of using an IPE deck top (increase of Total Bid Price by \$5,200) in lieu of marine grade wood pressure treated. Boyle Engineering Corporation, a professional consultant to the County, designed this project and will assist in contract administration during construction. • Funding sources for this project is 50%, reimbursable, from the West Coast Inland Navigation District (WCIND) and 50% from the County Boating Improvement Fund. • 12/05/08 to 01/07/09 appropriate bid procedures were followed. Bid information was transmitted to 580 prospective bidders including seven Manatee County firms via the bid solicitation site, Onvia/DemandStar. Forty-one firms requested the Bid Document and seven bids were received. • Estimated start of construction is 02/10/09 with completion within 120 days for an estimated completion date of 06/10/09.
