B.03 CLARIFICATIONS, INTERVIEWS, PRESENTATIONS, DEMONSTRATIONS

As part of the evaluation process, the evaluation committee will determine a list of those responsive and responsible Proposals that are deemed by the committee as having a reasonable probability of being selected for award (Short List). At a minimum, the evaluation committee shall conduct discussions with the Short List Proposers and may request additional information or clarification from Proposers for the purpose of further evaluation of (a) conformance to the solicitation requirements, (b) the abilities of the Proposer, and (c) understanding of the Proposal submitted. Additional information and clarification must be submitted by Proposer within the requested time-period.

Additionally, interviews, presentations or demonstrations may be conducted with Proposers as part of the evaluation process. As part of member obligations, Manatee County (“County”) is responsible for responding to utility marking requests entered into the Sunshine State One Call of Florida (SSOCOF) system. SSOCOF is a not-for-profit corporation formed by the Florida Legislature with the 1993 adoption of the Underground Facility Damage Prevention and Safety Act, Chapter 556, Florida Statutes. The main purpose of the SSOCOF is to prevent damages to underground facilities by administering a statewide notification system that notifies its members where excavation or demolition is scheduled. Member operators are persons or companies who furnish or transport materials (gas, water, sewage) or services (electricity, telephone, cable television, internet access) using an underground facility. SSOCOF membership is mandatory for any entity that owns or operates underground facilities in Florida.

1.02 SCOPE

The successful Proposer (“Consultant”) shall provide all labor to include two (2) certified utility locating technicians, materials, travel, and equipment required to assist the County with meeting its obligations under the SSOCOF regulations. The specific project needs shall be determined by the County and the Consultant. Subcontracting by the Consultant for any work required under this Request for Qualifications (“RFQ”) and the resulting Agreement is not permitted.

1.03 AGREEMENT AND ASSIGNMENT OF SERVICES

This RFQ shall result in the County issuing an Agreement and a zero-dollar Blanket Purchase Order to the Consultant. The County shall request services from the Consultant, on an as-needed basis, via Work Assignments issued against the Blanket Purchase Order.

The County does not guarantee any minimum or maximum amount of services to be ordered from the Consultant during the Agreement term. Work Assignments shall be at the sole discretion of the County.

1.04 GENERAL DUTIES OF CONSULTANT

The relationship of the Consultant to the County shall be that of a professional Consultant, and the Consultant shall provide the professional and technical services required under the Agreement and any subsequent Work Assignment in accordance with professional practices and ethical standards. No employer/employee relationships shall be deemed to be established and the Consultant, its agents, and employees shall be independent contractors at all times.

It shall be the responsibility of the Consultant to work with the County and apprise it of solutions to problems and the approach or technique to be used towards accomplishment of the County objectives as set forth in each Work Assignment, which shall be made a part of the Agreement upon execution by both parties.

1.05 GENERAL REQUIREMENTS
