Manatee County Code of Laws

BACKGROUND/DISCUSSION

Pursuant to the authority provided to the County by Florida Statutes 255.20(1)(d), Manatee County Code 2-26-43 and the RFQ General Terms & Conditions, Reserved Rights, the Manatee County Purchasing Division hereby provides notification of its decision to reject all quotes received in response to the above-mentioned RFQ.

This decision is made for several reasons. First the equipment list provided in the original specification was inaccurate in that there is more equipment to be maintained than the list indicates. In addition, the County intends to revise the work requirements to include additional services. Therefore, in the best interest of the County, this solicitation will be cancelled and a revised RFQ will be solicited in the near future in the same way as the original.

Manatee County is appreciative of the participation of all quoters in this process and we hope all participants will excuse any inconvenience this action may have caused. If you have submitted a quote prior to receiving this cancellation notice please note that all quotes received will be not be considered public record.
