BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure RAW Station No.4 Pump and Motor Replacement from Hudson Pump and Equipment without conducting a competitive solicitation process for the following reason(s):

The Manatee County Utilities Department relies on Goulds Pumps to maintain the efficiency of their RAW station at the water treatment plants. Currently, RAW station No. 4 is due for a pump replacement, and sticking to the trusted Goulds Pumps ensures a seamless transition without any extra alterations to the existing system. This strategic choice not only saves costs for the County and taxpayers but also guarantees continued access to potable water for Manatee County residents. Hudson Pump and Equipment, the exclusive representative of Goulds Pumps in the area, stands as a reliable partner in ensuring uninterrupted water supply, emphasizing the crucial role these pumps play in meeting the community's essential needs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than August 2, 2024 for evaluation and consideration.
