**NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT**

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$108,570.00 with Service Environmental Scientist for the provision of mitigation compliance monitoring.

**ENABLING/REGULATING AUTHORITY**

**Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.**

Manatee County Code of Laws

**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure mitigation compliance monitoring services from Service Environmental Scientist without conducting a competitive solicitation process for the following reason(s):

Ryan Horstman with Environmental Science Associates is uniquely qualified to perform the required monitoring and reporting as the author of the permit application and associated mitigation plan. As well as having overseen the implementation of mangrove and seagrass plantings. He is an expert in this field with specific and unique project knowledge that justifies the single source procurement process for the permit compliance monitoring and reporting services request by the County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 11<sup>th</sup>, 2022, for evaluation and consideration.
