BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a True View 515 3D imaging sensor system, including software and components, from GeoCue Group Corporation without conducting a competitive solicitation process for the following reason(s):

The County has standardized on LiDAR technology for capturing surface elevations and features for in-house preparations and certifications. LiDAR sensor technology will be used in conjunction with existing survey equipment and Property Managements' Survey Division staff.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 29, 2022, for evaluation and consideration.
