NOTICE OF INTENT TO NEGOTIATE FOR AWARD

The Manatee County Procurement Division provides notice of its intent to negotiate a sole source contract with a value of \$142,538.00 with Parkson Corporation for the provision of rebuilding the North County Water Reclamation Facility North and South Aqua Guard Bar/filter Screens. The work will be completed on site using original equipment manufacturer (OEM) parts and Parkson Technicians.

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Rebuild of the NWRF Aqua Guard Bar/Filter Screens #1 & #2. from Parkson Corporation without conducting a competitive solicitation process for the following reason(s).

The bar-screens are the major components in the preliminary treatment process. This equipment is used 24/7 to prevent large objects, rags and other debris from entering the plant and interfering with the equipment in the downstream processes. The current bar-screens have become inefficient due to the age and condition and cause issues and other direct expenses in the down-stream processing equipment. Parkson Corporation is the original manufacturer of the bar screens and will use OEM parts for repair and rebuild of the Aqua Guard Bar Filter Screen.

Any company that believes it can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than January 16, 2020.
