BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Priority Dispatch System ESP (P) M/F/P System License Renewal, Service & Support from Priortiy Dispatch Corp without conducting a competitive solicitation process for the following reason(s):

Priority Dispatch is one of two companies that offer these services. The other company does not use the current comprehensive approach. The comprehensive approach ensures that there are no compromises to the response to emergencies. Staying with Priority Dispatch gives a significantly higher cost-savings due to not having to recertify and retrain all telecommunicators.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 5, 2003 for evaluation and consideration.
