QUESTIONS AND RESPONSES:

Q1. In the instructions for what to include in Tab 9 – Similar Completed Projects (On page 53) in Manatee County RFQ No. 24-TA005178DJ Design Build Services for Force Main 33A, 36A, and Bayshore on the Lakes Replacements, the RFQ states:

“Provide a list of up to five (5) design-build projects, particularly those of large diameter gravity sewer replacement or rehabilitation projects, which Proposer has provided and successfully completed since February 1, 2015. At least one project should be one that the proposer’s design-build team has completed together.”

Will the County please modify the question to include design-build projects or CMAR projects? If design-build is required, then will the County accept lift station rehabilitation and pipeline projects?

R1. See “Change To” section above.

Q2. Can the County please confirm that we are allowed to use an 11” x 17” page for the implementation plan and schedule requested in Tab 7 – Approach, Item 3 (On page 50), so that we have sufficient room to clearly show our schedule information??

R2. Confirmed

Q3. Can the County please confirm that we are allowed to use an 11” x 17” page for the organizational diagram requested in Tab 8 Organizational Structure and Capacity, Item 5 (On page 51), so that we have sufficient room to clearly present our organizational diagram/organizational chart information?

R3. Confirmed

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.
