BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Moyno pumps, parts and repair services from NOV Process and Flow Technologies US, Inc. without conducting a competitive solicitation process for the following reasons:

The Utilities Department has set a standard of Moyno pumps for certain functions in water production. NOV Process and Flow Technologies US, Inc., is the only Moyno OEM authorized dealer and service provider in the Southeast. The Utilities Department and the Procurement Division have determined that Moyno pumps, parts and services, sourced from NOV Process and Flow Technologies US, Inc. are in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 2, 2021 for evaluation and consideration.
