BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure solar school zone cabinets from Temple, Inc. without conducting a competitive solicitation process for the following reason(s).

The County has standardized on Applied Informaiton's GLANCE® cabinet monitoring system.

Components of this system are only available from Temple, Inc.

It would not be cost affective to have another vendor design and manufacture cabinets that may present compatibilty issues.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 19, 2019.
