

June 10, 2015

TO: All Interested Quoters

SUBJECT: ADDENDUM #1 – RFQ #15-1669BLS
Septic and Wastewater Pumping Services
Request for Quotation Due Date: June 15, 2015 at 3:00pm

Quoters are hereby notified that this addendum shall be acknowledged within their quote and shall be made a part of the above issued Request for Quotation. This information is issued to add to, modify, and/or clarify the Request for Quotation documents. These items shall have the same force and effect as the original Request for Quotation. Quotes are to be submitted on the specified date and shall conform to the additions and revisions listed herein.

Question: Provide further details on the “load time charge”.

Answer: The vendor may charge from the time he arrives at the designated site/location through the duration of the designated dumping assignment for normal, after hour, weekend and holiday services:

- Arrive for load and dump at final destination
- Arrive at lift station unload at designated lift station
- Arrive at lift station unload at Landfill (Lena Road WWTP)

Question: Provide further details on the “grease trap unloading”.

Answer: The vendor may charge from the time he arrives at a Manatee County Government grease trap location through the duration of the designated dumping assignment.

Question: Is there a minimum charge for emergency after hour calls where a cancellation call is issued by the County after the driver/truck leave the yard or arrive at designated site location.

Answer: A two hour minimum charge may be invoiced for cancelled service calls (normal hours, after normal working hours, weekends, and holidays).

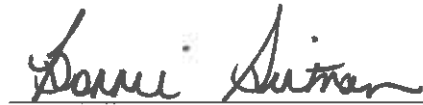

Question: Please clarify the category titled “Hours” (UofM, annual estimate).

Answer: This category refers to total estimated annual service hours.
(unit of measure = hours)

Addendum #1, RFQ #15-1669BLS
Septic and Wastewater Pumping Services

Question: If a vendor doesn't have a 6,000 to 9,000 gallon semi pump tanker, will their quotation be acceptable?

Answer: Vendors are required to quote all line items to be considered for award. Vendors may use subcontractors to provide pumping services on a limited basis to the County (see Questionnaire / References, page 14, item #11).
