BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure speed feedback sign materials from Transportation Solutions and Lighting, Inc. without conducting a competitive solicitation process for the following reason(s).

Transportation Solutions & Lighting is the only authorized dealer for Florida of the TrafficCalm products. Similar brands will cause incurred costs for maintenance and software needs as they would not integrate with current devices the County currently utilizes.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than January 26, 2024.
