BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure RainbowHealth software-as-a-service from Rainbow Health LLC without conducting a competitive solicitation process for the following reason:

The RainbowHealth software-as-a-service best aligns with the Manatee County Community Paramedicine Program's goals and objectives in providing a comprehensive technology platform that unifies home-based care for improved healthcare outcomes and better care coordination. Although there exists more than one responsible source, a competitive solicitation process cannot reasonably be used or, if used, will result in administrative costs that may exceed any potential savings and benefit to Manatee County.

Any company that believes it can provide these goods/services must submit detailed information about its goods/services to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 5, 2022.
