QUESTIONS AND RESPONSES:

- Q1. In the instructions for what to include in Tab 8 – Organizational Structure and Capacity, Item 12. (On page 57) In Manatee County RFQ No. 24-TA005049 Professional Design Services Desoto Bridge Watermain Replacement Project N. 6116570, the RFQ states: “12. Provide details of Proposer’s capacity to bond the project. Include a letter of intent form Proposer’s bonding company which confirms Proposer’s bonding capacity.” This requirement does not seem correct for a design services RFQ. This requirement would be applicable to a construction RFQ, not a design services RFQ such as this. Can the County please confirm that a response to this item is not required?**
- R1. Bonding is not required for this project. Item 12 has been removed per this Addendum 1.**

Q2. In the instructions for what to include in Tab7 – Approach, Item 3. (On page 55) In Manatee County RFQ No. 24-TA005049 Professional Design Services Desoto Bridge Watermain Replacement Project N. 6116570, the RFQ states: “3. Details of implementation plan and schedule. Provide an implementation schedule for each component of services (e.g., design, demolition, construction). NOTE: Proposer must commit to a timetable of no more than 365 calendar days for substantial completion of the project.” Considering that this is a Design Services RFQ, can the County please clarify and confirm that it means that design will be done in 365 days?

R2. Design to be completed in 365 days.

Q3. Can the County please confirm that we are allowed to use an 11” x 17” page for the implementation plan and schedule requested in Tab 7 – Approach, Item 3, so that we have sufficient room to clearly show our schedule information?

R3. 11”x17” is acceptable.

Q4. Can the County please confirm that we are allowed to use an 11” x 17” page for the organizational diagram requested in Tab 8 – Organizational Structure and Capacity, Item 4, so that we have sufficient room to clearly present our organizational diagram/organizational chart information?

R4. 11”x17” is acceptable.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.
