BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure degasifier media cleaning services from DeLoach Industries Inc. without conducting a competitive solicitation process for the following reason(s):

DeLoach Industries Inc. is the only known vendor that can and will provide cleaning and maintenance services on the degasifiers at the Manatee County Water Treatment Plant.

Based upon these and other factors, the County plans to standardize the above referenced product. Any company that believes they can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 2, 2020 for evaluation and consideration.
