QUESTIONS AND RESPONSES:

Q1. Your instructions to bidders, page 23, item 4 states that bidders must be a Florida Department of Transportation Prequalified Contractor in various classes of work including (vi) Hot in place Resurfacing. I'm unable to find any such work either in the plans or the bid pricing form. I believe this category may have been mistakenly added as (ii) Flexible Paving will be used and is included in your list. Please let me know where to find this work. If this category is not included in this project, for clarity, we request this it be deleted.

R1. See "Change To" section above.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the IFBC.

INSTRUCTIONS:
