**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Priority Dispatch System Annual Maintenance from Priority Dispatch Corporation without conducting a competitive solicitation process for the following reason(s):

Manatee County has been using protocols from Priority Dispatch for over twenty years and hardware currently in use is optimized for compatibility with Priority Dispatch Systems. Switching to a new software would ensure immense costs and staff time.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 3, 2024 for evaluation and consideration.
